

Hi all.

I trust that you are well.

The Hospitality Studies department has created google classroom for distance learning. The purpose of this application is to allow parents and learners to communicate with me and to keep track of where we are for the term.

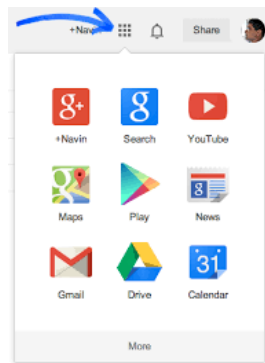

Each grade will have their own “classroom” and work (PowerPoints and activities) will be uploaded for you to print.

What do you need to access google classroom?

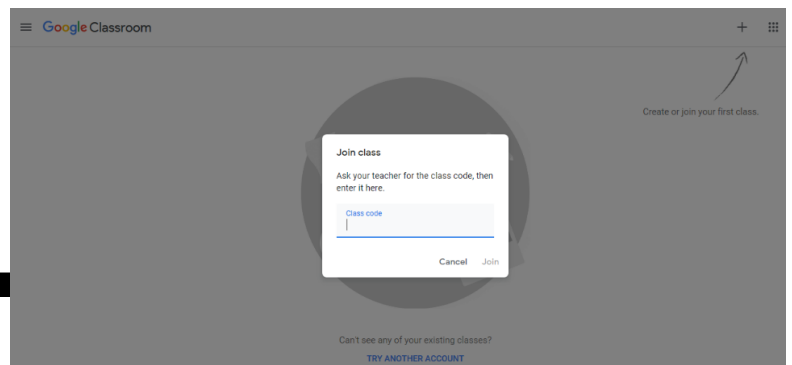

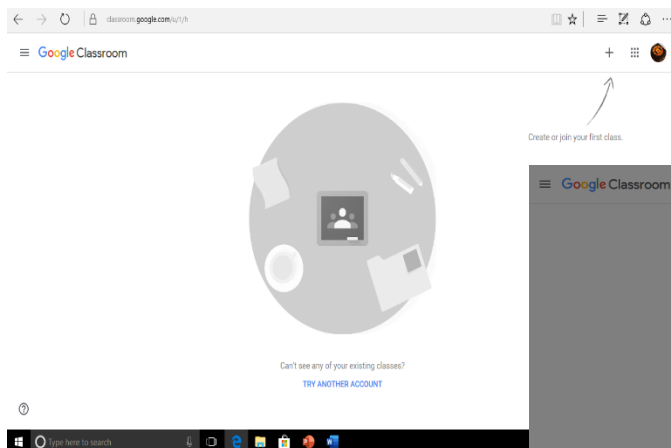

1. A Gmail account.
2. The unique code for each grade.
3. A laptop or a cell phone even a tablet could work.

How do I access google classroom?

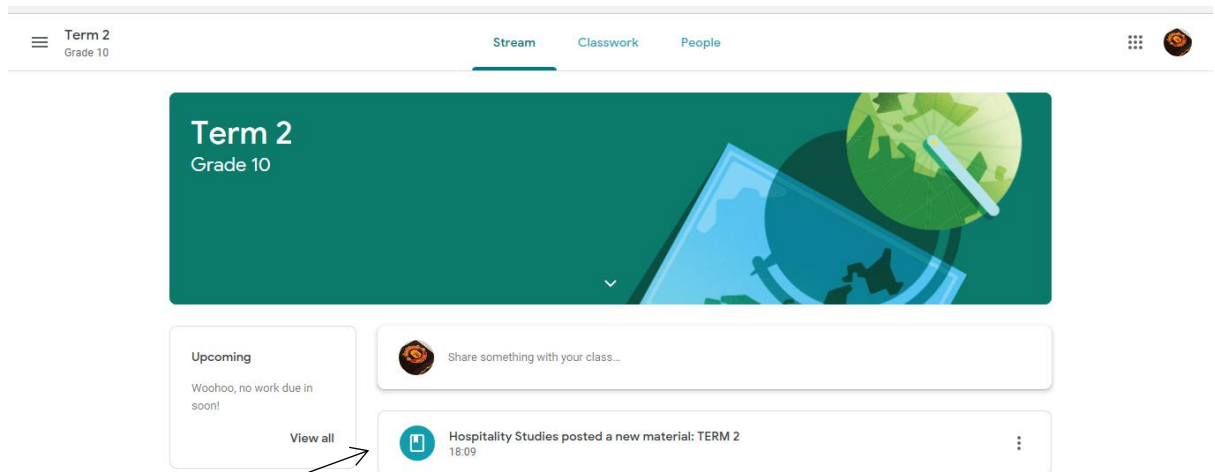

1. Login to your Gmail account.
2. Find this option

3. Find the application called classroom. 
4. Click on the “+” and then click on “join classroom” you will then be asked to enter the class code.

5. Each grade will have its own code. Once you enter the code you will be directed to this page.

7. Click on to access the work.

Access codes:

Grade 10: b53otgh

Grade 11: vh2gx3u

Grade 12: edme5vi

You may email me with any questions you have.
